

## Folded Paper Dinosaur Puppet:

Tape this end

Tape this end

-Color in with crayons, markers or colored pencils. Cut out the square.

-Fold in half. Tape the ends with clear tape.

-Place hand inside, 4 fingers in one corner and the thumb in the other. Gently push in the center to make the mouth.

-Add extra decorations if you like.

-Cut out squares of paper, fold, tape and then decorate to make more puppets!
